

# STREET ART STROLLS HEADINGLEY

## NORTH LANE

North Lane has some impressive street art to accompany a shopping expedition.

Over Headingley Farmers Market (every second Saturday) towers James Archer's portrayal of 'Sir' Kevin Sinfield.

Opposite the Market, down an alley to Grunberg Street, Rude Studios have elaborately painted and sculpted their building.

Further down North Lane, past the Headingley Greengrocer and the Natural Food Store, is the office of OWLS (Older Wiser Local Seniors) and on the back of their building is a fine owl by EggsiStencillism – carry on down North Lane, turn right up South Parade and then right again into Derwentwater Terrace, to find the owl.

Shopping done, visit the Assembly Bar & Kitchen at HEART for a well-earned tea or coffee – and down Bennett Road, in St Michael's Terrace, are some glowing poppies by Ursula Young.
